## **Disclaimer of Liability**

Participants are entirely responsible for their own safety, whether afloat or ashore, and nothing reduces this responsibility. It is for participants to decide whether their boat is fit to sail in the conditions in which it will find itself. By launching, participants confirm their boat is fit for those conditions and they are competent to sail in them.

Nothing done by the organisers can reduce the responsibility of the owners and/or participants, nor will it make the organisers responsible for any loss, damage, death or injury, however it may have occurred, as a result of the boat taking part in this event. The organisers encompass everyone helping to run the event. The provision of patrol boats does not relieve owners and participants of their responsibilities. I understand that the International 29er Class Association & the organising authority cannot accept liability for any injury, loss or damage sustained whilst taking part in these activities.

At no time during the event or after the closing ceremony will the International 29er Class or the LOA take responsibility for a sailor's behaviour or actions both on and off site during the event. Sailors will be the SOLE responsibility of their parents, coaches or loco parentis at all times.
