Attachment D

2023 29er WORLD CHAMPIONSHIP

OVINGTON NATIONS CUP

The Ovington Nations Cup shall be awarded to the nation with the best THREE- boat aggregate points score at the 2023 29er World Championship, calculated as follows:

1. A nation's three boats shall include boats from at least two of the three prize categories (Men's, Women's and Open). If a Final Series is sailed, the three boats shall have sailed in the Gold or Silver fleets.
2. At the conclusion of the Championships, each nation's three boats' points scores will be added together. The nation with the lowest total score shall win the Nations Cup, and other nations shall be ranked accordingly.
3. However, to enable boats from the Silver Fleet to take part and be appropriately scored, the points score of any boat from the Silver Fleet shall be increased by N where $N = (\text{Points Scored by Last Boat in Gold Fleet}) - (\text{Points Scored by First Boat in Silver}) + 1$. *This allocates a Nations Cup score to all boats in Silver Fleet based on scoring the first boat in Silver one point more than the last boat in Gold.*
4. Ties shall be broken in favour of the nation whose three boats secured more first place finishes in the Gold Fleet Final Series. If this fails to break a tie, it shall be broken in favour of the three boats with more second place finishes in those races, then third place finishes, and so on until the tie is broken.
