An UNOFFICIAL version of overall results, which shows results for all competitors at each event. A penalty of 2000 points is added to Nett points where a competitor has been identified as not being a member of the International 29er Class Association.

This means every competitor who has participated in an event will see their results for each event in which they have competed and have an overall rank within the series.

The value of 2000 is an arbitrary value chosen so that competitors identified as not being members of the International 29er Class Association are ranked below those who are members of the International 29er Class Association.
