

Change of Sailing Instructions No. 1

Sailing Instructions 19.1.1 to 19.1.4 are deleted and replaced with:

19. 1. 1. The tally control point will be at the Measurement Area.

19. 1. 2. The indicators consist of rubber wristbands. The bands should be worn conspicuously, on clothing, on the right wrist/arm by sailors at all times ashore.

19.1. 3. All competitors must individually tally-out for themselves before the race by going in person to the point and leaving their wristbands on the spot marked with their sail number from the moment the delta flag is flown.

19. 1. 4. Competitors shall individually tally-in within 10 minutes of returning to shore by personally going to the tally control point to return their tally. The pickup can be made up to the end of the protest time.
